Report of the Chairman

Under the brilliant leadership of the Macau Government, the Macau SAR maintained a steady growth with its GDP for the year hitting a record high of MOP92.6 billion, representing an increase of 6.7% over the previous year. Meanwhile, the fame of the city has been spurred on hosting the sensational 4th East Asian Games together with the successful inscription of the "Historic Centre of Macau" as a "World Heritage", which laid a solid foundation for the future development of the Macau SAR.

The economic growth in Macau created splendid opportunities for the insurance industry. By adhering its commitments of "rooted in Macau, serves Macau" and "dedicated operation and sincere services", China Insurance (Macau) Company Limited captured prime opportunities in Macau with strong support from all walks of life. This gave rise to an improvement of the overall operation and management, a further enhancement of its competitiveness and a positive growth in its business. Meanwhile, the insurance premium of the Company achieved MOP151 million, representing a growth of 38.53% over the previous year, and acquired a market share of 27.7% in the non-life insurance market of Macau. The Company has made contribution to secure and encourage the booming economy and advancement in Macau.

The Company has made every effort in establishing an affluent and tranquil lifestyle. Looking forward to 2006, as the economy of the Macau SAR will continue to grow steadily, there will be an ample room for the development of the insurance market in Macau. China Insurance (Macau) Company Limited will provide the citizens in Macau and even the society with quality financial insurance products by capturing development opportunities and insisting well-managed operation. It will also accelerate its development, raise its capabilities and provide innovative services in order to make further contributions to the development of the economy and the stability of Macau.
